## PROFESSIONAL EXPERIENCE

---

### Devmountain | Online Program

*February 2021 - May 2021*

*Web Developer / Software Engineer (Student)*

#### Gather - [Github Repo](#) | [Website](#)

React | React-router | Context | NodeJS | Express | PostgreSQL | Styled-Components | Cloudinary API | nodemailer

- Formulated a social media website that allows users to add unregistered “people” to groups, where other users comment to them
- Targeted toward those whose younger children aren’t ready for social media, but want them to receive well wishes from friends and family
- Worked within a set of parameters to accomplish my goal, planning on Trello and Figma
- Integrated styled-components for styling

#### One Up Dating - [Github Repo](#) | [Website](#)

React | Redux | NodeJS | Express | PostgreSQL | CSS | socket.io | socket.io-client

- Collaborated to create a dating app for people that like nerdy things, using a tinder-like match system.
- Targeted toward single people over 18, that want to chat and date fellow geeky people.
- Worked in a team of three using Github Teams and Jira in a remote environment
- Integrated vanilla CSS for styling

### The Red Door/Mynd Salon & Spa | Tempe, AZ

*September 2016 - April 2020*

*Payroll Administrative Specialist*

- Process paychecks consisting of salaried, time, tips, commissions and bonuses for 4,000 employees across 16 locations in 8 states - consisting of varied pay structures
- Perform weekly time and employee record audits to ensure accuracy of pay
- Used Excel to condense and streamline 2 weeks worth of manual work, into 3 total working days opening up time for further auditing and improvements
- Increased sales and profitability by conducting market research, evaluating consumer trends, and analyzing competitors in order to introduce new products, expand distribution, and effectively manage trade dollars at a regional level to support growth initiatives
- Developed an Excel file to calculate paid time off and sick time accruals for 1,800 employees; update and audit bimonthly
- Manually process 13,000 time adjustments annually
- Commit an average of 26,000 documents to the company-wide database yearly
- Train salon assistants on the payroll process and regularly update salon management on payroll and process changes

**Independent Contractor Tax Advisors, LLC | Scottsdale, AZ**

*April 2011 - August 2016*

*Bookkeeper*

- Provide after-the-fact bookkeeping services to 40+ clients including:
  - Manual journal entries and categorization of expenses
  - Accounts payable, receivable & invoicing
  - Bank reconciliation
- Clarify client expenses and resolve client reimbursement errors
- Attentive to details and double check work to ensure all numbers are entered accurately
- Transitioned entire database from a platform to cloud based system and trained teammates
- Ghost Writer behind all ictaxadvisors.com blog posts beginning March 2015, including several articles published in MS Finance, NerdWallet & CS Monitor
- Onboarding of 4-5 new clients and scheduling of 30 client appointments monthly
